Dear Colleague,

We are pleased to inform you that the institute of Liver Gastroenterology & Pancreaticobiliary Sciences (ILGPS), Sir Ganga Ram Hospital is organizing a scientific meeting on **"Case based discussion of problem cases in Hepatobiliary diseases"** on 8th & 9th September 2018, New Delhi under the aegis of "Delhi Liver Foundation".

The one and half day-long scientific program will focus on the discussion on real life cases seen and managed by prominent International and National Faculty Members. Cases will cover important topics including Viral Hepatitis, Non-alcoholic Fatty Liver Disease, Alcoholic Liver Disease, Acute Liver Failure, Acute on Chronic Liver Failure, Vascular Disorders of the Liver, hepatocellular carcinoma, PSC & overlap syndrome, antitubercular therapy in cirrhosis, cholangiocarcinoma and extrahepatic Biliary Obstruction. The organizing committee sincerely hopes that this will stimulate discussion of highest quality by the experts, incorporating a global perspective while recognizing the special needs of the practicing clinicians in India. This will help all of us in appropriately managing our patients in difficult scenarios. State of art lectures by eminent speakers and pulsating debates will also add to our knowledge in understanding the common unified approach to problem solving in these settings.

A large numbers of Gastroenterologists, Hepatologists, General and GI Surgeons and Physicians from all over the country and abroad are expected to participate, contribute and gain from this meeting.

Yours sincerely,

**Dr Anil Arora**  
Organizing Chairperson
